## Policies for Traders

---

If you need clarification of any of the following, please contact us before sending your application form:

1. Goods should be produced locally. Locally means within 50 miles of Whitchurch. Traders or Goods from outside this radius will be allowed to trade if no local producer is available or wishing to sell this product.

**or**

Traders should already regularly participate in Whitchurch's Friday or Farmers' Markets. By regularly we mean for at least 4 weeks prior to this event.

2. Goods should have been produced or obtained ethically. If your goods are "hand made" they should be hand made by you, your friends or family, or fairly traded.

3. Goods produced in factories which use child labour or unfair labour practices are not permitted. We expect traders to be able to demonstrate that goods are not produced in this way.

4. Stalls selling second hand goods are welcome, but must comply with the above guidelines.

5. All Goods should be suitable for display to children and families.

6. Whilst goods sold subject to licensing restrictions, i.e. alcohol, drugs or tobacco may be not be permitted, sales of locally produced Ciders, Perry's and Ales etc will be considered at the discretion of the Organisers.

7. Stalls must respect other faiths, cultures and beliefs as no form of discrimination will be tolerated.

8. Balloons cannot be offered for sale or promotion due to associated litter problems.
